Description

Precondition: from the top dropdown menu containing the list of students select a student for which the Data Confirmation has not been completed

Steps to Reproduce:

1. Login to the Aeries Parent Portal: <https://demo.aeries.net/ParentPortal/LoginParent.aspx?demo=True&user=student%40aeries.com&pwd=1234> with user: parent@aeries.com and password: 1234
2. Go to "Student Info" tab on the righthand-side menu and click on Data Confirmation
3. Go through each section, follow the instructions and hit "Confirm and Continue" then click on "Finish and Submit" at the end

Expected Result: Once the data in each section of the Confirmation form has been reviewed and submitted, no more changes should be allowed. The form should remain in read-only mode to be consulted by parents for any future reference.

Actual Result:

- Fields for each section except Income and "Documents" are still editable after the form has been submitted
- For "Family Information" the fields are editable but upon logout and re-login the initially confirmed values are kept
- For "Medical History" and "Authorization" values can still be added/changed and the changes are kept upon logout and re-login

Environment

Aeries Demo Application on Chrome browser

Description

Precondition: from the top dropdown menu containing the list of students select a student for which the Data Confirmation has not been completed

Steps to Reproduce:

1. Login to the Aeries Parent Portal: <https://demo.aeries.net/ParentPortal/LoginParent.aspx?demo=True&user=student%40aeries.com&pwd=1234> with user: parent@aeries.com and password: 1234
2. Go to "Student Info" tab on the righthand-side menu and click on "Data Confirmation"
3. On the "Data Confirmation" form reach the "Contacts" section, choose a Contact and click on the pencil icon to edit the contact information, change data in some fields and click Save
4. Choose a contact and click on the pencil icon and click "Delete"
5. Click on "Add" button and add contact information in the editable form

Expected Result:

1. Existent contact data can be edited and saved
2. Existent contact can be successfully deleted from the list
3. A new contact can be successfully added to the list

Actual Result:

1. Existent contact data can't be edited and saved; upon hitting the "Save" button it becomes a greyed out button
2. Existent contact can't be successfully deleted from the list; a deletion confirmation message is displayed but the deletion is not actually performed
3. A new contact can't be successfully added to the list; fields are editable but upon hitting the "Save" button it becomes a greyed out button

Description

In the "Authorizations" section, under "Authorizations and Prohibitions" a parent needs to provide a "Deny" or "Allow" status for certain school permissions but only two such permissions require a response due to being of more sensitive nature:

- Release Records to Military
- Photo Use in District Brochures and Press Releases

If parents miss responding to either or both then a "Response Required" message should be stamped and an asterisk should be displayed next to these items: "You cannot continue with the confirmation process until you answer all required authorization questions."

Precondition: from the top dropdown menu containing the list of students select a student for which the Data Confirmation has not been completed

Test Step	Test Data	Expected Result
1. Login to the Parent Portal: https://demo.aeries.net/ParentPortal/LoginParent.aspx?demo=True&user=student%40aeries.com&pwd=1234	user: parent@aeries.com password: 1234	Parent Portal main page is displayed
2. Under the "Aeries Student" menu go to "Student Info" and select "Data Confirmation" or click the link in the banner to get to the "Data Confirmation" form	N/A	Data Confirmation form is displayed
3. In the "Authorizations" section under "Authorizations and Prohibitions" select "Allow" or "Deny" for the item "Photo Use in District Brochures and Press Releases" and leave blank for item "Release Records to Military". Click "Save" and "Confirm and Continue"	N/A	Notification "Response required" is stamped and an asterisk is displayed next to the item "Release Records to Military" Error message is triggered: "You cannot continue with the confirmation process until you answer all required authorization questions."

Test Step	Test Data	Expected Result
4. In the "Authorizations" section under "Authorizations and Prohibitions" leave blank for the item "Photo Use in District Brochures and Press Releases" and select "Allow" or "Deny" for item "Release Records to Military".
